Our fairbook cover has been designed around Cindie's GREENE DREAM theme. THANK YOU to the Printing Center for their expertise in every aspect of printing. Amy, Justin and Ty are the experts. Esther gave her "dreams" to Ty and he transformed them into the fairbook cover you see in this book. In 2011, the Greene County Fair won 1st in the Medium Fair category for best fair book cover. This year? 2012? I think we have a chance once again to capture that title. We'll see. Your picture may be on the cover...so this year as you come to the fair, SMILE—you may be on "the faircamera".
