

4-H Fair Identification and Premiums

Identification badges and fair coins (if eligible) will be available during Pre-Fair Judging on July 8th and 9th. After pre fair judging passes/coins will be available in the fair office during regular office hours thru Saturday, July 27th. If badges are not picked up before fair, you must purchase a gate ticket for \$6.00 without reimbursement.

Each year the Greene County Agricultural Society awards premium coins to 4-H members who meet the qualifications as described in the 4-H rules.

Conditions for receiving identification and fair coins are that 4-H members MUST HAVE projects pre-judged and displayed at the 2019 Greene County Fair. After judging, a paper will be issued and signed for verification that the project is at the fair and completed. If no paper is presented the 4-H member will not receive identification and/or fair coins.

Any member taking non livestock projects will be eligible to receive \$10.00 in fair coins. Breeding animals qualify as non-livestock projects. *10 fair coins is the maximum amount each member will receive this year.* If a member is in 4-H & FFA they will still only receive \$10.00 total in fair coins.

Coins must be surrendered to the vendor upon purchase of items at the fair. Please do not ask for them back. If fair identifications/fair coins are misplaced or lost, they will not be replaced.

Any Identification which is lost will not be replaced for free; there will be a \$25.00 charge assessed.

Leading in trauma care.

Premier Health treats more trauma patients than any other hospital system in the region. With Dayton's only Level I trauma center—the highest possible verification from the American College of Surgeons—and the only adult burn center in the region, we are ready to treat all injuries, no matter how severe.

Emergency Center Locations:

Miami Valley Hospital –
